GASC to Induct New Officers / Present Monetary Donations

On Saturday, December 9th, the German American Social Club of Cape Coral will hold its Inaugural Ball, featuring the swearing in of its new Officers – President Robert Kraft, First Vice President Stephen Bauer, Second Vice President George Allison, Treasurer John Sullivan and Secretary Susie. The membership elected the new Officers at the recent election on December 1st. The formal Inaugural Ball will be held in the von Steuben Hall on Pine Island Road.

The Club will also be showing its strong support to the community by once again presenting donations to local charities, as it has done continuously over the last few decades. The money for such donations is raised through the various events the club holds throughout the year, primarily its Oktoberfest and Gartenfest events, which remain two of the most popular events in Cape Coral area every year. This year's Oktoberfest was successful, despite Irma slowing down prep work and some bad weather brought on by Tropical Storm Felipe.

The recipients of this year's donations will be announced at the event.

Members of the Press are welcome to join in the ceremonious celebration. Please feel free to let me know if you intend to be a part of this happy occasion.
